FOREWORD

The Kaleidoscope of 1960 speaks for democracy! With our proud heritage we of Hopewell High School have many responsibilities. We intend to carry on the traditions set forth by our forefathers and to keep alive their dreams.

We are fortunate in having a student body in which high ideals and moral standards are accepted as a way of thinking and a way of living.

We as teenagers reflect the true spirit of America and enjoy the many freedoms of our land. We have tried to illustrate some of these freedoms as they affect us in our high school life.

The Kaleidoscope Staff of 1960 proudly salutes this great nation of ours — this land of opportunity, this land of freedom.

We dedicate with pride . . .

Irene S. Beauchamp

Throughout our years in Hopewell High School, in her every endeavor, she was fair to all. To her we owe the credit of making our class all that it is, for through her patience and devoted work we were well organized while still in our Sophomore year. We shall forever be indebted to her for the faith and trust she placed in our capabilities and her loyal support in our projects. Thus, in appreciation for her understanding of our every problem, we the Class of '60 dedicate to Mrs. Beauchamp, our Kaleidoscope.

Dean Beagle,
I'll never go

FREEDOM OF

EDUCATION

All of us as Americans enjoy the opportunity of education. Under the leadership of our administration and faculty we can develop ourselves into better citizens, worthy of the responsibility we hold — to keep the lighted torch of democracy burning in our land.

FREEDOM OF

INDIVIDUALISM

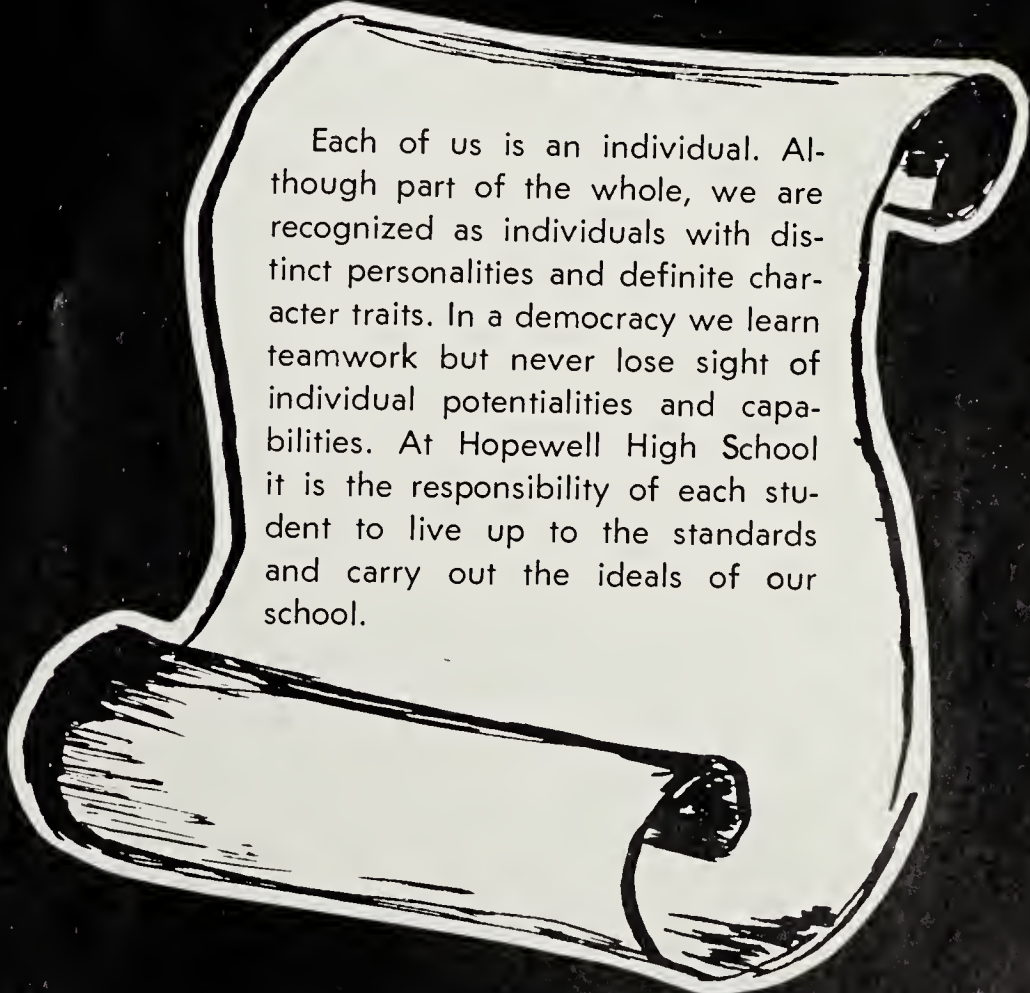

CLASS EDITORS

Becky Shelby, Assistant

Each of us is an individual. Although part of the whole, we are recognized as individuals with distinct personalities and definite character traits. In a democracy we learn teamwork but never lose sight of individual potentialities and capabilities. At Hopewell High School it is the responsibility of each student to live up to the standards and carry out the ideals of our school.

“Striving higher, ever onward”

Norvell Burrow, Mary Sue Lowe, Cookie Stevens, and Kenny Ballowe.

Senior Officers

Since that day we were “rats,” we have been told with sometimes irritating regularity that our Senior year would be the best one of all, and — sure enough — it is. Our Senior Class is the best! That’s what every Senior thinks, but ‘60 IS the best! There is never a dull moment in the lives of Seniors — current events . . . term papers . . . meeting the crowd at the Den . . . mid term exams . . . dashing home to talk on the phone . . . eating at the Senior table. This is part of the wonder-world of being a Senior.

Junior Officers

The Junior Class, always the most active in school, didn't waste a minute organizing and planning their many projects—Sock Hop . . . Popularity Contest . . . Beauty Contest. Enthusiasm and cooperation were tops on their list. A successful Beauty Contest enabled the Juniors to give the Seniors a Junior-Senior Prom long to be remembered.

Sophomore Officers

As Sophomores we plunged deeply into the activities of HHS. We felt like "big-wheels" initiating the eighth graders on their first day of school. This was our first year to organize as a class. We learned to work together as a group, to look ahead to next year when the Junior-Senior Prom would be OUR responsibility.

We felt important to be the largest class in the history of HHS, and we had to keep reminding ourselves of this fact as we were pushed and shoved through the hallways, more often lost than not. We immediately took active part in games and dances and other school doings. In spite of the exalted attitude of the upperclassmen, we soon knew that we belonged.

In our land we have freedom of competition in which is involved hard word, joy, and sometimes despair. Through competition we are constantly striving to better ourselves, to stay on the top, and to outshine everyone else. Through the spirit of our cheerleaders and the support of the student body our teams have been rewarded for their hard work and achievements. Hopewell High School is widely known for its interest and enthusiasm in sports, and our Athletic Department is one of which to be proud.

The H.H.S. cheerleaders have tried to distinguish themselves from the squads in past years by undertaking various projects throughout the year. The girls sponsored a cake sale during the summer and made enough money to secure blouses to be used for the first football games and during basketball season. The money received from passengers out of school who traveled on the out of town buses to away games was donated to the girls. This money was used for the purchase of collars, raincoats, and boots. A homecoming weekend, planned with the assistance of their sponsor, Mrs. George Orr, was a great success. The money received from the dance provided an ample fund with which the girls bought vests to wear over their blouses. The cheerleaders also participated in the annual cheer rally in Richmond, Virginia, and made up a song and cheer to be presented at the rally.

The H.H.S. cheerleaders with the help of their sponsor, Mrs. George Orr, held a Homecoming weekend on November 6 and 7 after the last home game of the season. Kay Lipp was chosen Homecoming Queen with Mary Sue Lowe and Charlotte Elder as attendants in an election by popular vote of the school. These girls were selected from a group of fifteen senior girls who had earned or were working on a letter in sports. A dance was held the Saturday night following the game for the students and alumni of H.H.S. This event, one of the many outstanding projects undertaken this year, will be well remembered by the class of 1960.

The Student Council, the governing body of our school, is highly respected. Through homeroom representatives, students express their ideas and gain high ideals of government that they will practice in the future. Miss Burch, the officers, and an elected representative from the Council make up the members of the executive committee of the Student Council. As the student council reports are given weekly, interest is promoted in the homerooms as shown in the picture below.

Members to the Hopewell High School Chapter of the National Honor Society are chosen on a basis of Character, Scholarship, Leadership, and Service. They have been examined by the faculty board of the National Honor Society and found to be excelling in all four phases of their school life. These members must continue to prove themselves worthy of this great honor through the remainder of their school life at Hopewell High School after their tapping.

They are honored members of our school and their leadership and interest in Hopewell High School is to be commended.

Leadership, sportsmanship, scholarship, and citizenship are only a few of the qualifications the Optimist Club requires in the selection of the student who is to represent them as the outstanding boy of the year. We proudly salute Bobby Johnson, who in accomplishing these ideals is truly an outstanding boy at H. H. S.

Ours is the right to choose. A democracy endeavors to adhere to the wishes of the individual. Through voting the largest majority of people can be satisfied with the results. Nancy Jones was crowned "Miss Hopewell High School" for the year 1959 after being chosen the winner of the annual beauty contest presented by the Junior Class.

Nativity Scene

The Nativity Scene is a beautiful tradition at H.H.S. Every year the characters are selected from the senior class and during this scene at the Christmas assembly, welfare baskets from each homeroom are brought to the stage.

Glimpses of the past year

A bonfire to inspire school spirit on the night before the Hopewell - Petersburg football game is a tradition at H.H.S. Crowds of Hopewell fans come to watch Petersburg burned in effigy and to cheer their team to victory — this year by 34 to 7.

Each year a Friendship trophy is exchanged alternately between Hopewell and Petersburg at the half-time of the football game. This year the trophy was presented by Petersburg High School's Hi-Y — Tri-Hi-Y Council President to Patricia Storey, President of the Kappa Lambda Tri-Hi-Y of Hopewell High School. Looking on are Ronnie Hinchey, Vice-President of Hopewell High School, and Mr. Alexander, our principal.

One of H.H.S.'s most interesting students was Monique Palatin who came to Hopewell from France. The picture at the left shows Monique answering questions about her country at a French Circle Meeting. Although her stay was brief, Monique will be long remembered by the many friends she made at H.H.S.

The Christmas spirit felt by everyone was reflected all over our school in the many decorations at Christmas time. They were in the cafeteria, in classrooms, on bulletin boards, and even on a few lockers. The picture at the left shows Van Hampton and Beverly Gilliam as they decorate a homeroom door.

Everyone greatly enjoyed the "Rhythm and Blues Show" presented by the D.O. Club in December. Much good talent was displayed, including that of Joe Webb and Deems Lowder who did their version of "Say Man."

*Peggy!
Here's hoping you have everything you wish for
and then some.
Deems*

Decorated baskets, filled with toys and food for needy families were prepared by each homeroom at Christmas. In the picture, Frances Simpkins is shown arranging them so that they may be carried to the stage at the Christmas assembly.

The Hopewell High School Chapter of the Future Teachers of America was organized at H.H.S. at the beginning of this school year. Members of this club are called upon by teachers when their aid is helpful, and therefore render service as well as gain experience in teaching. In the picture, F.T.A. student Kenneth Ballowe, is shown explaining directions for an assignment to Doris Gunn.

Peggy:
 I've enjoyed knowing you these years. Best of luck to you in your marriage. Be good and may God bless & keep you always.
 Love you!
 Doris

A radio program over station W.H.A.P. was presented once a month by the speech class. The "Hopewell High School Hour" featured interviews of teachers and representatives of clubs, discussions among students, and music. The picture shows Maria Washburn, Sarah Stuart, and Vera Szegheti during a broadcast.

Joyce Sutton and Steve Legat were chosen by the D.O. Club to represent Hopewell as their candidates for State D.O. King and Queen. Here they are shown making plans to go to the convention at which the state winners will be crowned.

Man, like Joey Hicks has made preparations to go to the Beatnik party. The party was a very successful project undertaken by the Key Club last October.

One of the many projects undertaken by the Key Club this year was directing traffic in the students' parking lot when the new addition to H.H.S. was opened. In the picture at the right, Donnie Keener and other Key Club members are shown as they are giving directions to a student.

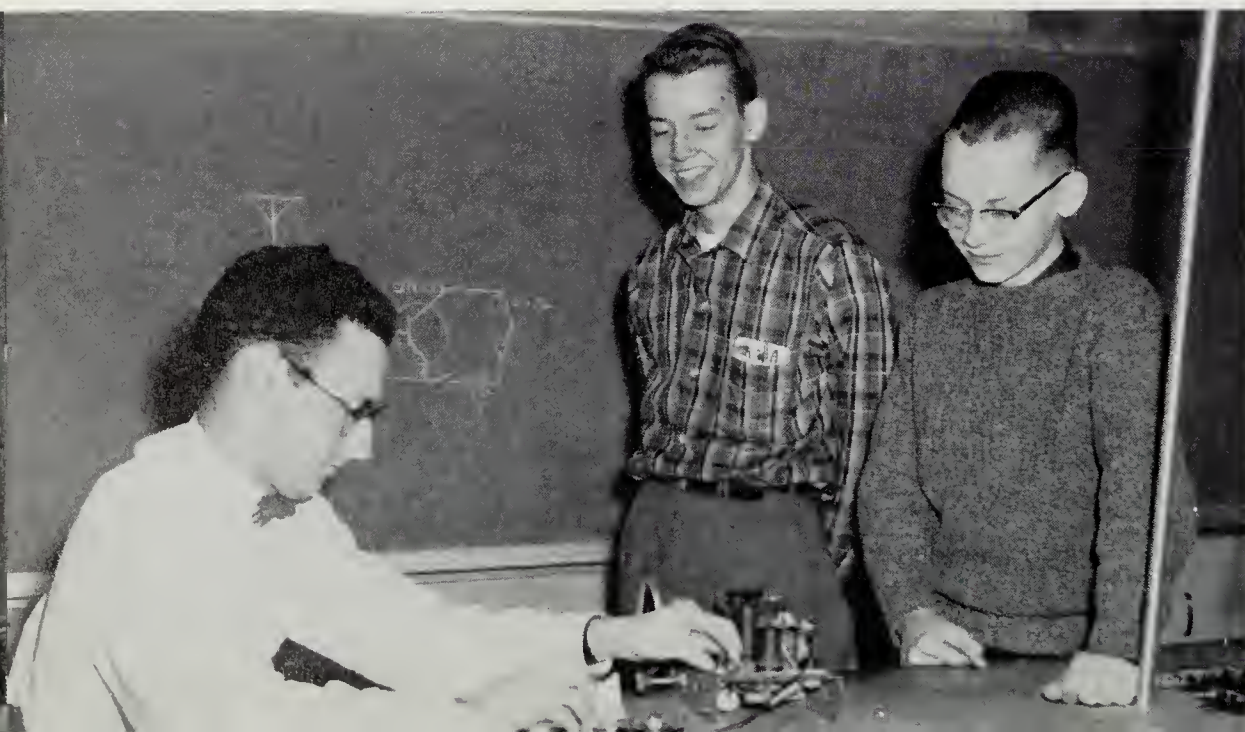

Mid-term exams aren't fun for anybody, but they are a good excuse to have a party. This group of Seniors even found enough time out from records, Pepsis, potato chips, coffee, sandwiches, and jokes to study!

Pat Mazzei and Cheryl Beach are busily working on their project for the Science Fair, an annual event at H.H.S. Entries are made from students from the various science departments and awards are presented to the winners.

H.H.S. was honored this year in being host to All-State Band. Representatives from the bands of each school in our district worked at our school in preparing a concert which was given at the end of the week-end. In the picture, Margie Turpin is shown with two members of the band who were guests in her home during this time.

Another new organization at H.H.S. this year is the Radio Club. Working as a branch of the Science Club, its purpose is to learn more about the mechanics and functions of radios. In the picture at the left, Jimmy Grainger, Robert Heuther, and Charles Minor are shown as they experiment with a transmitter.

Senior Farewell

Dear Underclassmen,

We leave Hopewell High School, and we hope that we leave it a better place for our coming, but it is with regret that we realize we will no longer be a part of its active life. Many are the memories that we shall cherish forever; many, the experiences that shall be of benefit to us as we go out on our own, no longer as a class, but alone in this huge world we seek to build. We must go our separate ways and find a new life for ourselves. Old friendships will be remembered, but gradually new ones will take their places as we each pursue our chosen paths.

On graduation night the dream of our senior class will no longer be a dream — but a reality. Although there is sadness in our hearts at the thought of leaving our Alma Mater, there is a certain thrill as each proudly steps forth to receive his diploma, a symbol of twelve years of hard work and achievement.

When you, underclassmen, become Seniors, you will suddenly realize the feeling of seeing the last football game of which you are truly a part. No longer will you see the smiles and hear the laughter of your friends as they go from one class to another. At the final basketball game of the season, you will see your own class members participating for the last time. And THEN you will realize fully that you are leaving behind the things that are dearest to you.

We hope that you will think of Hopewell High School as proudly as we do and strive to keep it always the best, for H.H.S. will forever remain in the heart of each member of the Class of '60 as THE BEST.

Sincerely,

Seniors of '60

Best of luck to
you, Peggy

Dear Peggy,

you'll never know how much we enjoyed knowing you this past year, it's really been fun. But all good things must come to an end. I hope Donald and I will get to see even more of you and "Big John" now that summer is on its way. And when you + John get married Donald + I are gonna come and eat you out of house + home. And if I can talk you into marrying me this summer (big chance) you and John can come and eat us out of house and we're looking for? Of course you might not sit for? But you're welcome just the same.

Anyway, I wish you all the luck in the world. No one deserves it any more than you do.

We hope so. Because we have interesting jobs for "special" gals here at the telephone company.

If you're alert and like people, you'll like it here. The surroundings are pleasant, the pay is good right from the start—and you'll have lots of opportunity for advancement and raises.

Here's hoping you + Johnnie will be very very happy in the very near future. and here's hoping some of it rubs off on Donald.

There's a "special" extra, too. You'll have that wonderful feeling of making an important contribution to your community. Come talk to us about telephone work. We'd love to meet you!

The End

Autographs

Dear Peg,

Well, I guess this is the last time I
get to write in your books. I don't know
what to write to you. Being I see you
every day I run out of things to say.

Anyhow I love you and think you are
the sweetest girl in the world. And
a big KISS for making the ^{honor}~~honor~~
roll, to you. Well about all I can
write now.

All my love,
John

Reserved

Dear Peggy,

I'm so glad that we have become such good friends during the past three years. Being in homeroom and various classes with you last year can only be surpassed by the pleasure of being in government with you this year. I'm sorry that we weren't in more of each other's classes and in homeroom.

It seems so funny getting ready to graduate - only a couple of days less than a month. After that, I guess we will really be closer friends, what with you and John planning to get married.

Just think, I took Home Economics for nothing - trying to get in your class but being put in the other class. ICK!! Suppose we had had Miss Helen Burch the same period? I guess she would have gone just about crazy!

With your sweet personality and disposition, you are bound to succeed in everything. I know that only the best can come to you, as you deserve only the very best. My very best wishes will always go to you. Never forget the good times we have had.

Love,
Judy
~~to you~~

P.S. Why did you make me get a 3 in gov't? It was our only one! I forgot to say above, but I think that you are a very nice and sincere person.

Dear Peggy,
May God Bless
you and keep you through
the year to come.

I am glad that you and
I have become good friends
that way, and hope that it stayed

It is true that you are
leaving us this year, I know it will be hard
to keep away from old H.H.S. and your friends
I hope that you and yours True Love make a big
success in life and I will be thinking of you and him when
Remember Peggy you can't do as you are doing now, you
can't always run back to mama and daddy for everything as
you are doing now. So I think twice before you say "I will"

I am wishing you the Best of Luck and the most success in the whole
wide world.

Yours
Bea E. Chambers

Peggy:

I was so glad that we got to be in the same
home, i.e. class again this year. You're a darling girl and
one whose friendship has meant so much to me. I
want to wish you good health and loads of luck
in the future, you really deserve it. Just stay
as sweet as you are now, and you will
never be friendless. (Also good luck to you
and John this coming Christmas. May
God be with you always.)
Loads of Love,
Pat

Peggy,

It has really been fun knowing you this year. It's just a shame we won't be able to graduate together. It was fun being in the same study hall even if we did get 3's half the time. Lots of luck in the future and in your marriage. I hope you have at least twenty kids.

Dear Peggy, really it
 30 year knowing
 been year knowing
 you this past year. The
 want to wish you the
 best of luck in the
 future. I hope you
 much the class of '60 means
 to you and I want you to know
 that we couldn't ever forget
 you. You have contributed
 to make it the best!
 Sweet as you are,
 Love ya
 Alice
